

You can learn anywhere, anytime

Japanese Online Course

TWICE
Per week

Once
Per week

Anytime

Videos

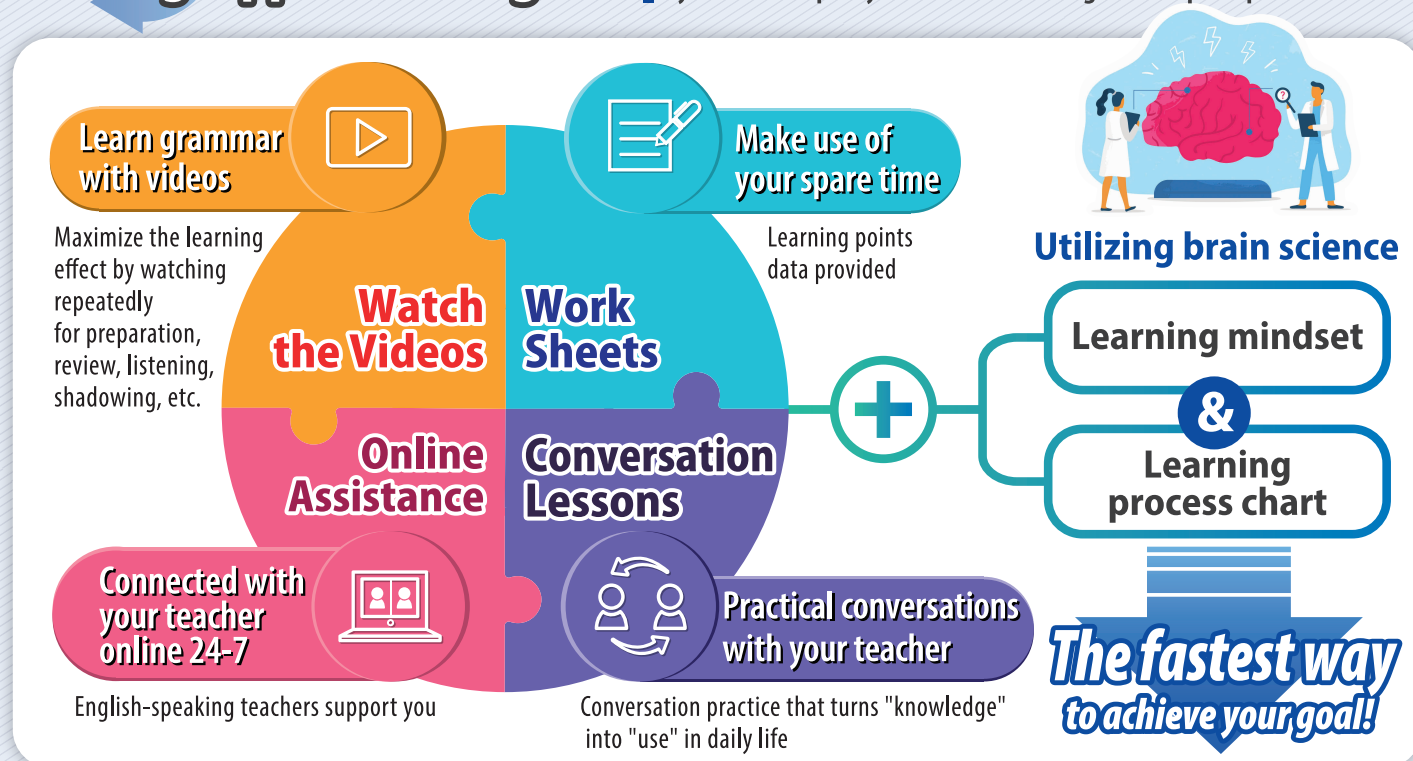

Conversation
lessons

Online
assistance

So you can keep going until you reach your goal.

Maximize the learning effect
utilizing flipped learning!

A learning style that reverses the traditional order of "class" and "homework". By inputting knowledge first and then outputting it, you can deepen your understanding and acquire practical skills.

Start Japanese
from scratch

Watch videos
anytime, anywhere,
and as many times
as you like

Even busy people
can learn on their
own schedule
